COACHING TIP # 21

Be happy with a score on an end and don't be too greedy. Many games are won or lost by a few shots, you give the shot away when holding, eg +1 shot to -1 shot is worth 2 shots to the opposition.

COACHING TIP # 22

Play your position. Good players know what is required for each position. Whatever your position, play for the team and do not try to play your own shots.

COACHING TIP # 23

Driving at a small target is difficult. Consider the value of draw/draw when in trouble, rather than drive/draw or drive/draw. Create a target with a close 'aggressive draw'. If you attack the head without a close bowl and miss, your opponent will almost certainly add another.

COACHING TIP # 24

Learn from others. Even in a game you are losing you can learn a lot from other players or teams. Remember the smart plays that caused you difficulty and use them next time.

Two miniature sausage dogs looking to spend time with a new friend

We are Cookie (10yo) and Lolly (12yo) who struggle to be left at home alone, and as mom has to return to work, we are looking for a new friend to spend few days a week with us. We are very friendly and love cuddles and attention, however, not used to children so prefer a quiet environment where we can cuddle up and sleep for the majority of the time. We enjoy walks but don't require exercise so if our new friend doesn't feel like walking, it's not a problem. Our mom takes us on lots of walks anyway.

Please call mom (Eve) on 0449793349 for more details. We are located in Albert Park so would love to find someone close by.

MEMBERSHIP DRIVE AND SUCCULENT SALE 7th MARCH

We will have more than 1000 succulents and cacti on sale from nursery plants to more large mature plants and colourful pots displaying designer arrangements. We will retain our sales approach of selling products at half retail prices.

As a result we need volunteers on the day to help deliver plants to the clubhouse and sell them at the stall.

A sign on list will be placed on the notice board in the clubhouse for each activity.
