

AROUND THE CLUB

LOCKERS

If you have a locker in the clubroom, please make sure it is identified as such.

VOLUNTEERS

The Club requires three volunteers to help setup and implement Bowling with Babies in the coming new year. An hour and a half per week for six weeks is all that is required. It has been a success at other clubs in creating new members and community spirit. Please speak to a committee member if you are interested.

CHANGES TO SMOKING AREAS

Next time you are on the green, please take note of the changed smoking signs.

I'm an optimist. I don't think it helps much.

Tired of scrounging around for \$7 for the green fee (GF) every time you play pennant?

Would you like a simpler and easier way to pay your green fees? Well, do we have something for you! Introducing a new, exciting, innovative and convenient method for paying green fees.

Here's how it works.

1. You decide how many games of green fees you want to pre-pay at \$7 per game. Minimum is 7 games at \$49. They can be used for Tuesday and/or Saturday pennant games.
2. You pay the applicable amount to the Club by bank transfer, cheque made out to the Club, in cash or debit/credit card (see below for bank details). In exchange, you will receive a ticket for each game you pre pay. For example, \$70 gets you 10 tickets; \$105 gets you 15 tickets, etc.
3. On game day, you hand over a ticket instead of \$7 when you are asked for your green fee.

How easy is that?

FREQUENTLY ASKED QUESTIONS

- Q.** What if I become injured or otherwise don't play and have unused tickets left at the end of the season?
- A.** Unused tickets may be turned in for a refund of \$7 per returned ticket.
- Q.** I'm a team manager. What do I do with the tickets?
- A.** Put them in the envelope with the cash you collect and turnover to the Club.
- Q.** What if I forget to bring a ticket to the game?
- A.** You are a silly goose and will have to pay \$7 in cash for that game.
- Q.** Can I give another player one of my tickets to use?
- A.** Yes, they are transferrable to other players.

- Q.** What happens if I lose my tickets?
- A.** The same thing that happens if you lose your wallet. It's your loss, not the Club's.
- Q.** If I run out of tickets, may I buy more?
- A.** Yes, you may.
- Q.** What if I want to continue to pay \$7 in cash?
- A.** You may do that. The pre payment system is optional, not mandatory.
- Q.** Can I use a ticket to buy a drink at the bar?
- A.** No, you cannot. They can only be used for green fees.
No exceptions, and that includes you Mooney.
