CLUB MINOR

Winner: Tim Smith

Runner-up: Ray James

CLUB NOVICE

Winner: John Matthews

Runner-up: Max Tritton

Junior RollUp

Supporters and Kobe and Elih at 2022 semi final

Kobe (r) congratulates Elih on winning 2022 Semi Final

Charlotte congratulates Jonno on winning 2022 semi final

Contestants entered Round 1 of the Junior Championship with trepidation and excitement as right from the start Jonno demonstrated his bowling prowess in his matchup with returning veteran Oli who despite his driving skills was unable to unseat his rival in an unforgettable finale. Jonno on the last end secured victory with two touchers and a jack trail into the ditch resting on the jack. Oli's precise response driving at the shot bowl striking it but bouncing back onto the green failed to split the pair. Meanwhile on Rink 6 Charlotte in her quiet way demolished Ed. Despite his determination following a long break from the game he fought valiantly but went down to the in form Charlotte who kept up relentless pressure with consistently good draw shots. Players with recent form had a winning edge on the day.

Don McGregor

AROUND THE CLUB

NEW MEMBERS

We welcome: Karen Hill back to Albert Park Bowls Club having returned from overseas.
Also Tom Stevenson who has joined via the Junior Development Program.

COACHING EXTRAS

Our coaching sessions also include regular features on measuring, marking, filling out the scorecard and jack rolling for Leads. Coach will be happy to answer any questions and explain procedures involved.

MERCHANDISE

- White club jackets are back in stock at \$50
- Hat bands are \$12 each
(please note only hats with club hat bands are exempt from the requirement that all headwear must carry the BA NMP Logo)

NAME BADGES

The current list on the noticeboard will shortly, very shortly, be sent to the supplier so if you require a name badge please place your name on the notice as soon as possible.

What the Board discussed at its last meeting:

- Discussion in regards to opposition teams unable to play due to Covid and its impact on APBC. Communication sent to BowlsLink.
- Club's finances are growing thanks to more functions and members bar
- Members to be advised of games played at other clubs via Parkers and noticeboard in Ladies Locker room
- Angoves Australia Day discussed. Minimum of 36 participants required
- Sesquicentennial Celebrations a work in progress
- Functions postponed/cancelled due to Covid
- Returning member approved
- Member's fee and green fees discussed – to be carried over to next meeting
- Uniform storage update –discussion took place on how this would be achieved and how much stock the club needs to carry
- Re-establishment of contact with Martin Foley discussed
- Club renovation – quietly optimistic – ongoing
- Discussed and agreed that Junior Bowls could have the rinks 4–5pm on Wednesdays with understanding that the rinks will not be available for Junior Bowls during November and December due to function requirements.
- Use of security camera App by Members and Board discussed. Audio to be muted
- Discussed and agreed that a shelf be installed in the pantry. Also the old/ unused crockery will be finding a new home
- Board has investigated cheaper electricity and successfully changed supplier

A wife asked her husband if he had seen the dog bowl. Didn't know he could was the reply.

PERFORMANCE EVALUATION

Measuring and appraising the quality of a performance can be a challenging task particularly where the performance is not easily timed or measured such as a bowls game.

How do you know if you are a better player than before? Or practiced well? Or played well? Or achieved any performance goals set?

- Systematic evaluation of all skills during practice can provide accurate measures of skill.
- Evaluate practice to give direction to your practice. Practice with a purpose to help stimulate practice sessions.
- Progress / form / achievement / confidence will all benefit.
- Evaluate competitive performance; What is acceptable? Is my game progressing? Were performance goals reached? Compare competition skills to practice.
- Evaluation can assist in technique comparisons i.e. difficulty on slow greens? Change grip, test - retest and compare to old style.

Performance can be measured for many purposes:

- determine the result of a competition
- to select individual players for a team
- diagnosis of strengths and weaknesses of players

- prediction of future performance results
- evaluation of the instruction methods.
- Guide future coaching.

OBJECTIVE vs SUBJECTIVE PERFORMANCE MEASURES

Objective performance measures

Objective performance measures are those that involve an impartial measurement, that is, without bias or prejudice. Objective performance measures include timing measures such as stopwatches or electronic timing devices, or distance measures such as measuring tapes to determine the winner of an event. In these situations the performance appraisal is not subject to personal opinion or interpretation of results and it is a clear objective measure.

Subjective performance measures

Subjective performance measures are influenced by the observer's personal judgment of how the skill was performed. These measures are often criticised and scrutinised as they are open to interpretation and opinion. Subjective measures often

refer to the quality and style of performance such as scoring of dance and gymnastics. While a numerical score may be used it is open to interpretation of the judge not a clear cut measure.

*Well done!
You played
very well
today
. . . assessed
as a 7?*
