EXCUSES FOR BAD BOWLING

- Skips don't normally have bad days on the green do they? It is always their team that let them down.
- I haven't had enough to drink yet!
- I brought the wrong shoes.
- The wind only blew when I was on the mat!
- I shouldn't have been thinking about last night when the earth moved.
- The jack is in the wrong place!
- I'm not bowling well today because I didn't put my teeth in and the wind keeps whistling around my mouth.
- The moisture is coming up through the green
- A bowler who was having a terrible day and nowhere near the jack complained that the bacon fat from the pre-game feast had dripped onto fingers and the bowl continued to slip from start to finish
- That damned helicopter with its downdraft!
- I forgot to bring my glasses
- Someone moved in the background
- This bloody grippo is slimy!
